

DATE: March 1, 2016  
FOR IMMEDIATE RELEASE

### **CIT Relay & Switch UL Approved Anti-Vandal Pushbutton Switches**

**Minneapolis, Minnesota** –CIT Relay & Switch introduced our UL Approved Anti-Vandal family of switches with IP65 sealed pushbutton styling. Our AHU and DH22U series offer both ring and dot illumination and non-illuminated options. Choices of body and actuator color include Stainless Steel and Anodized Aluminum in Black. Our versatile switches provide design engineers with several LED color choices.

Specifications and materials are dependent upon your choice of switch.

Lead-time averages 6 to 8 weeks. Volume pricing is dependent on option choices. Contact CIT directly for a quote and sample to solve your anti-vandal switch needs.

*CIT RELAY & SWITCH*, a division of Circuit Interruption Technology, Inc., manufactures a broad array of automotive, telecom, security, industrial and audio relays and switches in thru-hole, panel, and surface mount styles. *CIT RELAY & SWITCH* products are supported by a worldwide network of distributors and sales representatives.
