### Coming Soon at CIT Relay & Switch! New 16amp UL Approved Anti-Vandal Switches

**Minneapolis, Minnesota** – CIT Relay & Switch introducing new UL Approved Anti-Vandal Pushbutton switches. Our DHU Series is available in 25mm, 28mm or 30mm. All sizes offer both ring and dot illumination and non-illuminated options. Choices of body and actuator colors include stainless steel and anodized aluminum in black, green, red, blue or yellow. Bi-color illumination and multiple actuator styles offer design engineers a multitude of options for all their needs.

Lead-time averages 6 to 8 weeks. Volume pricing is dependent on option choices. Contact CIT directly for a quote and sample to solve your UL Approved Anti-Vandal Pushbutton switch needs.

*CIT RELAY & SWITCH*, a division of Circuit Interruption Technology, Inc., manufactures a broad array of automotive, telecom, security, industrial and audio relays and switches in thru-hole, panel, and surface mount styles. *CIT RELAY & SWITCH* products are supported by a worldwide network of distributors and sales representatives.
